COMMUNITY SERVICE LEARNING
SCHOOL BASED ASSESSMENT
Grade 10
2026
PROJECT

INSTRUCTIONS TO SCHOOLS

1. *The 2026 CSL Project will be carried out as per the guidelines provided.*
2. *Learners should be guided to observe safety while undertaking the tasks.*
3. *Core competencies and values embedded in the project tasks will be assessed.*
4. *Each learner is required to develop and maintain an **assessment portfolio** as evidence of achievement. The entries in the portfolio should include:*
    i. *Evidence of the learner's work on each of the tasks.*
    ii. *Teachers' comments on the learner's work as the project continues.*
    iii. *Learner's own reflection on the project work.*
    iv. *Dates when each of the tasks is undertaken, and when the assessment is done.*
5. *Group tasks should be submitted for scoring after each project implementation step and evidence kept in the group assessment portfolio.*
6. *The assessment portfolio may be physical, electronic (e-portfolio) or both.*
7. *Each school is to set out a calendar for assessment of the tasks within the provided timelines.*
8. *Items required for the assessment must be assembled before the set dates.*
9. *The teacher will use the scoring guide provided to assess the learner's project work.*
10. *Scoring and uploading learners' scores should be completed by 31st October 2026.*
