GRADE 10 COMPUTER STUDIES
2026 NOVEMBER – DECEMBER HOLIDAY ASSIGNMENT

Six-Week Independent Learning Assignment

Name: _____	Admission/Assessment Number: _____
School: _____	Date: _____

INSTRUCTIONS TO CANDIDATES

1. Answer all questions in the spaces provided or in a clearly labelled exercise book if additional space is required.
2. Read each question carefully and show your working, reasoning, algorithms or code where requested.
3. For figure-based questions, study the given visual description and use the labelled parts or data exactly as shown.
4. Use suitable examples from home, school or the community where a question asks for practical application.
5. Where computer access is available, test programs and practical procedures safely; otherwise, write the expected steps or output.
6. Complete the assignment steadily over six weeks. Keep your work neat and submit all sections together.
