You are the Academic Captain of your school. The Principal has noticed a significant decline in the overall performance of the Grade 10 classes in recent internal examinations. Write an official Investigative Report exploring the root causes of this academic decline and proposing actionable, strategic recommendations to restore academic excellence. (20 Marks)

SECTION B: COMPREHENSION (15 Marks)

Read the following passage carefully and answer the questions that follow.

Artificial Intelligence (AI) has rapidly transitioned from the realms of science fiction into the core fabrics of modern educational ecosystems. In classrooms globally, AI-powered adaptive learning platforms are revolutionizing pedagogy by tailoring curricula to match individual student paces and learning configurations. This technological integration democratizes access to high-tier educational resources, breaking down socio-economic and geographical boundaries that historically isolated marginalized learner demographics.
