GRADE 10

OPENER TERM 2 2026 ASSESSMENT

HOME SCIENCE

NAME ……..GRADE ……ADM NO……..

Instructions

Answer all questions.

Provide clear explanations and justifications where required.

Use relevant examples.

1. A new student says that Home Science is only about cooking and is not useful in modern careers.

a) Explain three areas covered in Home Science that prove the student's statement is incorrect. (6 marks)

b) Analyze two ways Home Science skills can help a young person become self-reliant in society. (4 marks)

2. A learner prepared food in the school kitchen and did the following:

Wore long loose sleeves

Did not wash vegetables before cutting them

Used the same knife for raw meat and fruits

Left food waste on the working table
