GRADE 10 MARINE AND FISHERIES TECHNOLOGY
2026 NOVEMBER – DECEMBER HOLIDAY ASSIGNMENT
QUESTION PAPER

Name:	_____	**School:**	_____
Admission/Assessment No.:	_____	**Date:**	_____

INSTRUCTIONS TO CANDIDATES

1. Answer all questions in the spaces provided or in your exercise book where more space is needed.
2. Read each question carefully before answering and show working where calculations are required.
3. Use clear, labelled diagrams where requested; use a ruler for drawings and labels.
4. Observe safety when carrying out any suggested observation or practical activity. Do not enter water or handle fishing equipment without adult supervision.
5. The assignment covers six weeks. Plan your work and complete it independently, consulting reliable learning resources where necessary.
6. The total mark for this assignment is 100.
