THEATRE AND FILM GRADE 10 ANSWERS

SECTION A (30 MARKS)

1(a) Definitions (2 marks)

i. Theatre
I. **A form of performing arts where actors present a story live to an audience**
II. Can include drama, dance, and musical elements
III. Alternative phrasing: **Stage performance / live performance art**

ii. Film
I. **A sequence of moving images recorded or produced to tell a story**
II. Can be used for entertainment, education, or documentation
III. Alternative: **Motion picture / cinema production / video storytelling**

1(b) Difference between live theatre and film performance (2 marks)

Live theatre	Film performance
Performed **live in front of an audience**	Recorded for **later viewing**
No retakes; actors perform **once per show**	Scenes can be **edited, retaken, and enhanced**
Audience **interacts or responds immediately**	Audience experiences performance passively
Alternative phrasing: Stage acting vs cinematic acting
