GRADE 10 WOODWORK
2026 NOVEMBER – DECEMBER HOLIDAY ASSIGNMENT
QUESTION PAPER

Name:		**School:**	
Admission / Assessment No.:		**Date:**	

INSTRUCTIONS TO CANDIDATES

1. Answer all questions in the spaces provided or in your exercise book where additional space is required.
2. Read each question carefully and show all working, sketches and calculations where applicable.
3. For drawing tasks, use suitable drawing instruments and label views or parts clearly.
4. Observe workshop safety in every practical activity. Do not operate powered machinery without qualified supervision.
5. Where a practical task cannot be completed at home, write a clear plan and describe the safe procedure you would follow in a supervised workshop.
6. Use locally available, responsibly sourced materials and minimise waste.

ASSESSMENT RUBRIC

Strand	Maximum Marks	Marks Scored
1. Foundations of Woodwork	30	
2. Materials	30	
3. Timber Processes and Products	70
