Components of Creative Arts and Sports.

Creative arts is made of the following components:

- Visual arts -creative art forms appreciated through sense of sight such as;
- Play - a written work that tells a story through action and speech and is meant to be acted on a stage.

- Music - Music is a collection of coordinated sound or sounds. Making music is the process of putting sounds and tones in an order, often combining them to create a unified composition
- Dance – dance is the movement of the body in a rhythmic way, usually to music and within a given space, for the purpose of expressing an idea or emotion.

Principles of Visual arts.

There are two principles of visual arts namely:

Principle of dominance in Visual Arts.

Dominance is when a single element is so large and/or different compared to the rest of the design that it dominates.
