SECTION A: MULTIPLE CHOICE QUESTIONS (MCQ) – 20 MARKS

Instructions: Read the passage below and answer the questions that follow.

Reading Text – Section A: "School Debate on Environmental Conservation"

During the debate competition at Nairobi Primary School, students presented arguments on conserving the environment. The speaker, Peter, said, "Planting trees improves air quality and prevents soil erosion." His friend, Beatrice, added, "We should recycle paper and plastics to reduce waste." The judge, Mrs. Chebet, listened carefully and reminded the students to pronounce words clearly, paying attention to stressed syllables. She noted that correct pronunciation helps in communicating ideas effectively. After the debate, the students practiced the words 'project', 'record', and 'present', emphasizing the difference in meaning when stress changes.
