**(d) Lion remained alone in the hole/Lion died in the hole**

**3. People / We make mistakes almost all the time and these end up huting others. When this happens, we should realise we have done something wrong and apologise to the person or people we have hurt. It is rong fo us to fail to do this and behave as if we have not done anything that coul affect our relationships with them.**

**Smetimes we hurt other people without intending to so. We should find it easy to apologise because it does not make us inferior but cementing our relationship with them. We should use our common sense to do this.**
