SECTION A: MULTIPLE CHOICE QUESTIONS (MCQ) – 20 MARKS

Reading Text – Section A: "Community Clean-Up Day"

Every Saturday, students from Riverside Primary School participate in a community clean-up. They pick litter, plant trees, and sweep the school compound. Their teacher, Mr. Mwangi, encourages them to be diligent and hardworking. "A clean environment promotes health and happiness," he says. The students also learn new words during these activities. For example, 'diligent' can be replaced with 'industrious' while the opposite of 'happy' is 'sad'. They write sentences using the new words and practise spelling synonyms and antonyms correctly.
