ENGLISH PAPER 1

Read the story below and then answer question 1 – 6.

Fashion trends change with every passing season. People who dress up according to the latest fashion trends are considered vague while those who stick to the old ones are called outdated. In today's times, our fashion and style reflect our personality to a large extent. For example, we can tell what someone likes or where they come from by how they dress.

Ladies come on the topmost position when it comes to following fashion trends. They are also the ones who have a range of choices when it comes to fashionable clothes, accessories, bags, footwear and hairstyles.

In earlier times, ladies used to pick trends of the latest fashion from magazines, latest television shows and movies whereas nowadays it has become much easier to find out what is trending. While the internet made it easy, the advent of social media has made it easier. Ladies follow fashion forums and blogs to know what is latest in the world of fashion. They also follow their favourite personalities on social media platforms such as Instagram, Tik Tok, Snapchat and Facebook to view their latest pictures. They are inspired by the beautiful dresses, hairstyles and accessories of the celebrities so they try to imitate them.
