Read the passage below and answer the questions

Mr. Abila has a big farm. He grows different crops on his farm. He decided to visit his farm last weekend. All his workers were busy doing different kinds of work. Some workers were irrigating vegetables. A few workers were weeding tomato plants. In one corner, one worker was cutting grass for the cows that were mooing hungrily.

Answer these questions

16. How does Mr. Abila use his farm?
    _____
17. When crops were being irrigated?
    _____
