Instructions to Learners.

Answer all the Questions in the spaces provided after each question

Questions

1. LISTENING AND SPEAKING

Teacher read the story and learners answer the questions.

Hygiene is the practice of keeping yourself and the surroundings clean in order to prevent illness or the spread of diseases. Dirty hands are full of germs. Germs cause diseases. We should wash our hands with soap and clean running water. Always wash your hands after visiting the toilet. Before eating anything always wash your hands well.

a) Mention two things you can use when washing your hands.

_____ ,_____.

b) Keeping ourselves and the surroundings clean is called
