Emmanuel, Manuel and Betty are children of Mr. and Mrs. Maneno. They live in a three bedroom house in the big city of madiatori. The family is very happy because every member is helpful to each other. Other people in the neighbourhood admire them for their respect, repsonsibility and hard work.

The family owns a business in the rural town of jikaze which does very well. It deals with farm inputs and farm produce. Mrs. Maneno runs the business with the help of two other workers. These shop assistants are very honest and hardworking too. The children also help their mother in the shop whenever they are free. They like working in the family shop.
