TASK 2: READING ALOUD

The learner is asked to read the paragraph aloud as the teacher listens.

One day the monkey went to visit the hyena. The hyena lived eight kilometres away. The monkey carried apples, mangoes and some meat. The monkey walked for six hours without stopping. On the way the monkey was amazed to see a mango tree full of ripe mangoes. He kept his luggage down and climbed up the mango tree. He ate a few mangoes. When he climbed down to his surprise all that he had carried, that is apples, mangoes and some meat were nowhere to be seen. He weeped and went back home.
