Listen to the teacher as he/she reads the story for you and answer the questions that follow orally. **(5marks)**

Denis was an old man who lived alone. Denis wondered what always happened to his food. Every evening before going to bed, he made sure that he kept the food safely in the cupboard. But the next morning, he always found the cupboard open and the food missing. This did not give him peace at all. He was not a rich man. In fact, he sometimes went to bed hungry. After some weeks, he decided to find out who stole his food. He put his food in a bowl in the cupboard and decided not to close the door of the cupboard. He went to bed and pretended to be asleep. After a short time he heard some noise. He flashed his torch and was surprised to see his neighbour's cat.
