GRADE 2 CREATIVE ART NOTES TERM 1-3.

1.0 Our Neighbourhood

1.1 Doodling (15 Lessons)

What is Doodling?

- Doodling is making simple drawings or marks on paper. You can doodle pictures of plants, trees, and other things you see in your neighbourhood.

Materials for Doodling:

- You will need a pencil, paper, crayons, markers, or colored pencils.

Let's Doodle Plants:

- Draw simple pictures of plants, trees, and flowers you see around your home and school.

Action Song Example:

- "In our neighbourhood, we see the trees,
  The flowers bloom and sway in the breeze,
  We doodle them on paper bright,
  With colors that make them a lovely sight."

What I Have Learnt:

- I have learnt to identify materials used in doodling, like pencils and crayons.
  - *Example*: I used a pencil to doodle a tree.
- I have learnt to make simple pictures of plants in my neighbourhood using doodling.
  - *Example*: I drew a flower and colored it with crayons.
- I have learnt to enjoy singing action songs about things in my neighbourhood.
  - *Example*: I sang a song about trees while drawing them.
- I have learnt to appreciate my doodles and those of my friends.
  - *Example*: I liked the way my friend drew a bush and colored it green.
