7. Name things you will need to take care if trees at home? _____

TASK 2: READING ALOUD

Read the following story as the teacher listens

When people are sick it means that a body part is not working properly. People need to fight diseases like soldiers in the army.

First they have to eat good diet and drink safe water. They can also make their bodies strong to fight germs.

Secondary they can give their bodies extra weapons to fight diseases. When they were young their mothers took them to clinic to get vaccine to prevent them diseases.
