TASK 1: LISTENING AND SPEAKING

Teacher reads the story and learner answers the questions.

My name is Andrew. I have a friend. His name is Robert. He is eleven years old. He lives in Maua. Robert has short and brown hair. His eyes are green. He is short and slim. He is kind and helps me a lot. He likes to play football. He is also good in English. It is his best learning area. We like to play together.

Questions

1. Where does Andrew's friend live?
   (Learner responds)
2. What is the name of Andrew's friend?
   (Learner responds)
3. Robert's eyes have which colour?
   (Learner responds)
4. Which game does Robert like?
   (Learner responds)
5. Which is the best learning area for Robert?
   (Learner responds)

TASK 2: READING ALOUD

Read the story below aloud

My school is big. There are about seven hundred learners in my school. Some learners are from outside Kenya. We have many classrooms, toilets and a library. The library has two thousand books. The computer room is next to the teacher's office. It has twenty computers. We also have a school canteen. Learners take lunch from the canteen. It is close to the headmaster's office.

We also have a school field and sports centre. It is behind the school library. We also have a courtyard and a garden with many flowers. We also have a kitchen garden where grade 3 learners have planted vegetables.

TASK 3: READING COMPREHENSION

Passage 2

Read the story below and answer the questions that follow.

My father usually wakes up at four o'clock in the morning. He takes a cup of tea and then starts his work. He milks the cows. There are thirteen cows on the farm. When he is done, he comes back to have lunch. Then he goes around the farm on his motorbike to check on the animals and the field. In the afternoon, he milks the cows again and then he comes home to have a shower and dinner. He goes to bed at nine o'clock.

Questions

1. What time does the writer's father wake up?
   _____
2. What does he drink for breakfast? _____
3. Which work does he do first in the morning? _____
4. How many cows does he have? _____
