Bambo was playing outside their house with his friends. His mother called him, "Bambo, come here." Bambo ran into the house. His mother told him, "Go to the shop and buy a packet of milk and a pair of scissors."

Bambo took the money and rushed to the shop. He wanted to go back quickly and continue playing.

"Shopkeeper, give me a packet of scissors and a pair of milk."

The shopkeeper smiled and asked Bambo, "Did you say a packet of scissors?"

Bambo remembered that he had made a mistake. He said, "I am sorry. I want a packet of milk and a pair of scissors." The shopkeeper smiled again.
