MONITORING LEARNERS' PROGRESS

Grade 3 – 2022

MATHEMATICS ACTIVITIES

INSTRUCTIONS TO THE TEACHER

REGULAR LEARNERS, LEARNERS WITH HEARING IMPAIRMENT AND LEARNERS WITH PHYSICAL DISABILITIES

i) The following questions require preparation as indicated in the table below, before the assessment is conducted.

ii) Ensure that all the indicated materials are available during the administration of the assessment.

Question	INSTRUCTIONS
25	The teacher to prepare two circular cut outs. Divide the first cut out into 4 equal parts and shade $\frac{1}{4}$. Divide the second cut out into 8 equal parts and shade $\frac{1}{8}$. The teacher shall assess the learner accordingly by asking each learner to identify the fraction shaded in any one cut out.
