KENYA EARLY YEARS ASSESSMENT

Grade 3 – 2026

MATHEMATICAL ACTIVITIES

INSTRUCTIONS TO THE TEACHER

REGULAR LEARNERS, LEARNERS WITH HEARING IMPAIRMENT AND LEARNERS WITH PHYSICAL DISABILITIES

i) Question 25 requires preparation before the assessment is conducted.

ii) Ensure that all the materials indicated in the table shown are available during the administration of the assessment.

Question	INSTRUCTIONS
25	The teacher to prepare the following: • 8 counters made from locally available materials such as bottle tops, manilla papers, cardboards or cartons. Show a learner either 2 or 4 or 8 counters in a group, with **ONE** of the counter shaded. Draw a circle around the counters. The learner is required to say $\frac{1}{2}$ *or* $\frac{1}{4}$ *or* $\frac{1}{8}$. (A fraction as part of a group) and assess accordingly.
