Dog: You all know how important I am to Man. I make sure that the farmer and his family are safe. For that reason, I am the most important animal on the farm.

Sheep: But, Dog, you do not give our master any food products. I give him mutton, which is good for his health. I also give him wool, which keeps him warm during cold weather. So, I am the most important animal here.

Donkey: Who carries our master's luggage to the market? I am the strongest animal of all of you. Am I right?

Chicken: I believe you all know that my meat is delicious. Whenever our master has special visitors, he depends on my meat and eggs to make them and his family happy.

Cow: You all know that the farmer uses my milk to keep his children healthy. Besides that, I provide more than all of you. I am the most important animal.
