TASK 1: LISTENING AND SPEAKING – 10 MARKS

Theme: Keeping Our Environment Clean

Teacher's Instructions

Read the passage aloud **twice**. The learner should listen carefully without looking at the passage. After reading, ask the five oral questions.

Teacher's Script

Our environment is the place where we live, learn and work. We should keep it clean and safe every day. At school, pupils should put rubbish in dustbins instead of throwing it on the ground. We should sweep classrooms and keep the compound free from litter. Planting trees and flowers makes the school compound beautiful and provides shade. We should also avoid blocking drainage channels with rubbish because this can cause flooding. Everyone should work together to protect the environment and keep our surroundings healthy.

Oral Questions

1. What should pupils use to put rubbish in?(2 marks)
