ENGLISH - GRADE 4 TERM 1 2023

QUESTIONS

TASK I. Listening and speaking (5marks)

My name is teacher _____ and I want us to talk about learning through technology.

a. Name two digital devices that you use when learning in your school. (2mks)
   (learner responds)
b. Tell me two importance of the digital devices (2mks)
   (learner responds)
c. Make a sentence using the word "COMPUTER" (1mk)
   (learner responds)

TASK II. Reading Aloud

Read the story below aloud as the teacher listens.

It is hard to imagine how things were like before there was money. But there was such a time. Those days people exchanged goods using the barter trade system. The word barter means to exchange. People used the barter system to exchange things instead of buying and selling them. A person exchanged his/her good with what he/she needed.
