Read the following dialogue and then answer questions I to 5.

Kasuku: Excuse me!
Pauline:(Removing her headphones) Sorry, are you talking to me?
Kasuku: Yes, I just want to ask you one question.
Pauline: Okay, go ahead.
Kasuku: Which headphones are you using? They look very good.
Pauline: These are Skullcandy's. The model name is 'Crusher'.
Kasuku: If you don't mind, may I get a sound check?
Pauline: Okay...there you go.
Kasuku: Wow, it is amazing. I was not expecting this. I have never been an admirer of Skullcandy.
Pauline: Yeah.
Kasuku: How much did it cost?
Pauline: Six hundred shillings.
Kasuku: Amazing product at such a low price. Sound quality is extremely good. I mean, I could literally single out the sound of every musical instrument being played, the drum thumping, the bass throbbing, the heavy guitar riffs, everything.
You can grab one from any shop near you. I am sure you will enjoy the service. It was initially not my favourite until a friend lent me hers.
Kasuku: I sure will. Thank you very much for your kindness. Sorry, I failed to introduce myself; I am Kasuku Kelvin.
You are welcome anytime. I am Pauline Nerima. It was nice meeting you by the way. See you around.
Kasuku:
Kasuku: Yeah sure.
Pauline: Bye.
