TASK 1: LISTENING AND SPEAKING (10 Marks)

Teacher's Script

Read the passage aloud twice clearly and at a moderate pace. Learners should listen carefully. After reading, ask the oral questions one by one. Do not allow learners to look at the passage while listening.

"Road safety is very important for all pupils when travelling to and from school. When walking along the road, we should always use the pedestrian footpath and look left, right, and left again before crossing. Traffic lights and zebra crossings help us cross busy roads safely. While riding in a vehicle or school bus, learners must sit quietly and fasten their seatbelts. We should never lean out of moving windows or distract the driver. Obeying traffic rules prevents accidents and keeps everyone safe."

Oral Questions (2 Marks Each)

1. What should pupils do before crossing a busy road?
2. Name two things mentioned in the story that help us cross busy roads safely.
3. What must learners do while riding inside a vehicle or school bus?
4. Why should learners never lean out of moving vehicle windows?
